

Virtual Town Hall Recording

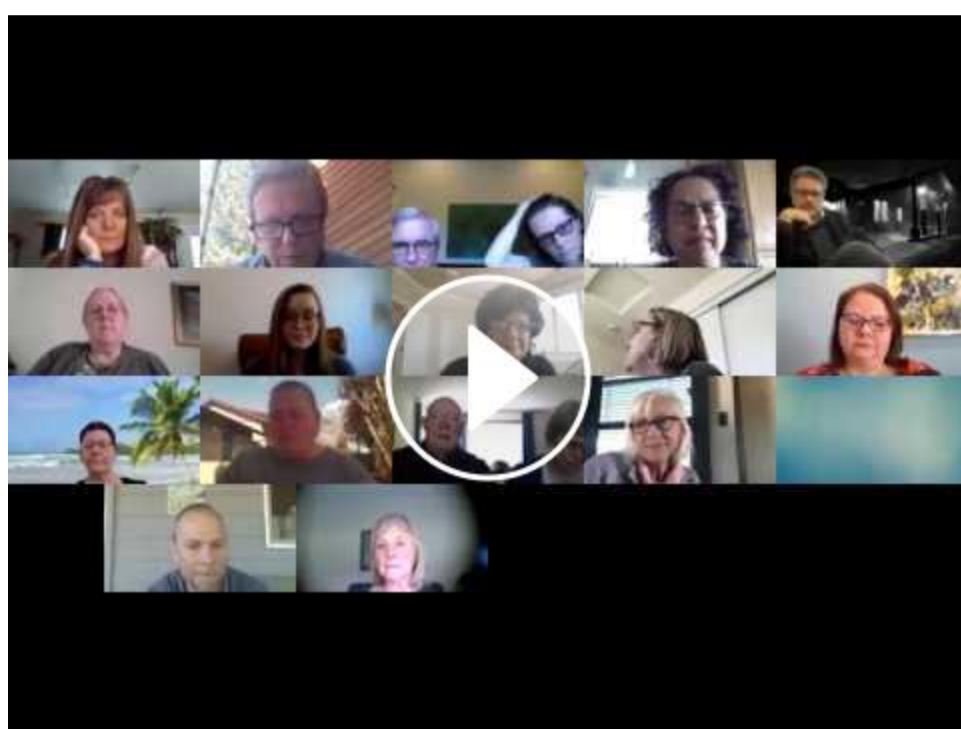

Hello, Edwards Center Families,

Last Friday we held our first-ever "Virtual Town Hall." We provided updates and answered questions. We had representation available from Human Resources, Accounting, Operations, Residential, Employment and our Board of Directors. We're likely to do more of these if there's interest. You can view the recorded meeting below.

In the meantime, as always, thank you for supporting us and the people we serve!

Stay healthy,

Allen

Keeping Things Going

Some of our employment staff-members have been working hard to keep things going at Arctic! Staff choosing to continue to work at any Edwards Center facility are following CDC social distancing guidelines and being screened daily upon their arrival.

During this time when many businesses are closed, they are working hard on some of the contracted work that is usually done on-site by Edwards Center supported workers. This will help us ensure that these jobs are still available when we can return to business as usual. Thank you to our wonderful staff!

Stay Up To Date

We have dedicated a page of the website to keep you up to date on all things related to COVID-19 at Edwards Center.

We're In This Together

In these uncertain times, our highest priority is the health and wellbeing of all Edwards Center participants and staff as we work hard to get back to business as usual. We are dedicated to high-quality communication and welcome any questions at any time.
