

### An Update From Allen Cress

Dear Edwards Center Families,

We're happy to report that we still have had no diagnosed or presumptive cases of COVID-19 among our residents or staff. However, we're all seeing the trends around the state and beyond. This is no time to let our guard down! Our staff remain diligent in their hygiene practices and use of Personal Protective Equipment.

Because we've had such positive feedback on the virtual town halls we've hosted, we will host another on **Tuesday, June 23<sup>rd</sup> at 5:00pm**. We will discuss our action plan in the event we have a positive test result, continued prevention steps and updates on Employment and Community Living Services. We invite you to join us via Zoom at:

### Staying Home & Staying Busy!

Bob and Eli enjoyed planting some flowers with their housemates and staff at the Lynne House!

We are grateful for our staff and our donors for helping to provide fun projects and create engaging activities for our residents while we're all staying home. Thank you!

### Stay Up To Date

We have dedicated a page of the website to keep you up to date on all things related to COVID-19 at Edwards Center.

### We're In This Together

In these uncertain times, our highest priority is the health and wellbeing of all Edwards Center participants and staff as we work hard to get back to business as usual. We are dedicated to high-quality communication and welcome any questions at any time.
